
SUMMER DAY CAMPS

What an experience, spend a week as a Zookeeper in training. Children who attend Camp at Saunders Country Critters will shape and expand their knowledge of animals and conservation. Not to mention it will be a week they won't soon forget. Campers will experience first-hand what goes into providing for both the mental and physical health of the animals that call Saunders home. With over 200 mouths to feed, camp days are very full and busy. If food is going in then things have to come out and dealing with that end of things is also part of our days in camp. Our programs encourage respect and stewardship of the natural world and provides a better understanding of our place within it. Our camps are geared towards youth who are eager to learn, follow directions, and have fun.

Zoo keeping is hard work so please ensure that campers come with a healthy hearty lunch as well as morning and afternoon snacks. You can never have too much water or juice when you are working and playing hard, so make sure and pack lots. Campers are only permitted to bring their electronics (ie, IPhones, IPads, cameras, etc) on Fridays to take pictures and share contact information with fellow campers.

With a limited number of camps and a limited number of spots, camp sells out quickly so register early to avoid disappointment.

Provided there are not dramatic changes to the current COVID guidelines, we will be running our summer camps again this season, so book early! Camp is $300 plus HST per child.

- 2 or more weeks $275 plus HST per same child

Camp runs from 9am to 4pm daily. Before and after care available at an additional cost, please contact us for details. Kangaroo Camp is open to those 8-14 years of age.

2023 CAMP DATES

*July 10 – 14	*July 17 – 21	*July 24- 28	*August 7– 11	*August 14– 18	*August 21– 25
