

SUMMER DAY CAMPS

What an experience, spend a week as a Sanctuary Steward in training. Children who attend Kamp at Saunders Country will shape and expand their knowledge of animals and conservation. Not to mention it will be a week they won't soon forget. Kampers will experience first-hand what goes into providing for both the mental and physical health of the animals that call Saunders home. With over 250 mouths to feed, kamp days are very full and busy. If food is going in then things have to come out and dealing with that end of things is also part of our days in kamp. Our programs encourage respect and stewardship of the natural world and provides a better understanding of our place within it. Our kamps are geared towards youth who are eager to learn, follow directions, and have fun.

Animal Care is hard work so please ensure that kampers come with a healthy hearty lunch as well as morning and afternoon snacks. You can never have too much water or juice when you are working and playing hard, so make sure and pack lots. Kampers are only permitted to bring their electronics (ie, iPhones, iPads, cameras, etc) on Fridays to take pictures and share contact information with fellow kampers.

With a limited number of kamps and a limited number of spots, kamp sells out quickly so register early to avoid disappointment.

Kamp is \$300 plus HST per child; 2 or more weeks \$275 per week plus HST (for same child)

Kamp runs from 9am to 4pm daily. Kangaroo Kamp is open to those 7-14 years of age.

2025 CAMP DATES

Kangaroo Kamp

June 30-July 4 **Sold Out**

July 7-11 **Sold Out**

July 14-18
