

RULES!

1. Teasing, frightening, and/or taunting animals will NOT be tolerated at any time.
2. No running please! Running scares the animals and increases your chance of getting hurt.
3. No climbing fences or rocks.
4. DO NOT feed the animals anything other than what is provided by us. This helps us to keep our animals healthy.
5. Please refrain from picking grasses and weeds to feed our animals.
6. Ensure all garbage is placed in garbage cans or is taken home with you. Garbage can blow into cages and cause illness and injury to our animals.

93% of the animals you see at Saunders have been rescued!

The serval is the fastest running cat other than the cheetah!

Lemur society is run by the females!
